I'm With You – Avril Lavigne -

I'm Standing on a bridge
I'm waiting in the dark
I thought that you'd be here by now
There's _____ but the rain
No footsteps on the ground
I'm listening but there's no sound
Isn't _____ trying to find me?
Won't _____ please take me home

(CHORUS)

*It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
take me _____ new
I don't know who you are
but I'm, I'm with you*

I'm looking for a place
I'm searching for a face
is there _____ here I know?
cause _____'s going right
and _____'s a mess
and _____ likes to be alone
Isn't _____ trying to find me?
Won't _____ please take me home

(CHORUS)

oh why is _____ so confusing?
maybe I'm just out of my mind
yea yea yea

(CHORUS)

Take me by the hand
take me _____ new
I don't know who you are
but I'm, I'm with you

but I'm, I'm with you

I still haven't found what I'm looking for You broke the bonds and you

You loosened the chains

I have climbed the highest mountains

You carried the cross

I have run through the fields

Of my shame

Only to be with you

Oh my shame

Only to be with you

You know I believe it

I have run I have crawled

But I still haven't found

I have scaled these city walls

What I'm looking for

These city walls

But I still haven't found

Only to be with you

What I'm looking for

But I still haven't found

Non Ho Ancora Trovato Quel Che Sto
Cercando

What I'm looking for

Ho scalato la montagna più alta

But I still haven't found

Ho corso attraverso i campi

What I'm looking for

Solo per stare con te

I have kissed honey lips

Solo per stare con te

Felt the healing in the fingertips

It burned like fire

This burning desire

Ho corso, ho strisciato

I have spoke with the tongue of angels

Ho scalato questi muri della città

I have held the hand of a devil

Questi muri della città

It was warm in the night

Solo per stare con te

I was cold as a stone

But I still haven't found

Ma non ho ancora trovato quel che sto
cercando

What I'm looking for

Ma non ho ancora trovato quel che sto
cercando

But I still haven't found

What I'm looking for

I believe in the Kingdom come

Ho baciato labbra al miele

Then all the colors will bleed into one

Sentito il potere della guarigione

Bleed into one

sulla punta delle dita di lei

But yes I'm still running

Bruciava come il fuoco
Questo desiderio ardente

Ho parlato la lingua degli angeli
Ho tenuto per mano un diavolo
Era calda nella notte
Io ero freddo come una pietra

Ma non ho ancora trovato quel che sto
cercando
Ma non ho ancora trovato quel che sto
cercando

Credo nel regno che verrà
E allora tutti i colori sfumeranno in uno
Sfumeranno in uno
Beh, si, sto ancora correndo

Tu hai spezzato i legami
Tu hai allentato le catene
Io ho portato la croce
della mia vergogna, della mia vergogna
Sai che ci credevo

Ma non ho ancora trovato quel che sto
cercando

WAITING FOR LOVE – Avicii

Listen and fill in

Where there's a will, there's a way, kinda

And every has its day, so magical

And if there's in this life, there's no obstacle

That can't be defeated

For every tyrant a tear for the vulnerable

In every lost soul the bones of a miracle

For every dreamer a we're unstoppable

With to believe in

..... left me broken

..... I was through with hoping

..... my empty arms were open

..... waiting for love, waiting for love

Thank the it's

I'm burning like a fire gone wild on

Guess I won't be coming to on

I'll be waiting for love, waiting for love

To come around

We are one of a kind irreplaceable

How did I get so blind and so cynical

If there's love in this we're unstoppable

No we can't be defeated
